## ALESSI INSTITUTE MENU

### HAPPY HYDRATION

Your hydration status is often overlooked as a cause for many symptoms. With a full day of fun on the beach, dehydration can occur. Hydration therapy can alleviate fatigue, stress, hunger, flush out toxins, moisturize the skin and support the immune system. Get hydrated with our B12 cocktail, electrolytes, and vitamin C.

### BYE-BYE HANGOVER

Late night fun should not ruin your trip. No need to suffer from the effects of a hangover. Our proprietary blend of B vitamins with hydration and electrolyte will help remove the hangover blues.

### **MITOCHONDRIAL YOUTH BUILDER**

NAD+ (a found coenzyme in all of our cells) can help you think sharper, look sexier, and feel younger. It has also been known to aid in reducing the loss of muscle mass, hypertension, abdominal obesity, poor liver function, metabolic Disease, hearing loss, and chronic fatigue. NAD+ and other vital mitochondrial components decrease with age. By combining our NAD with beauty boosters, Amino Acids, and brain phospholipids, it will help establish brain and muscle youthfulness again.
